

Policies Concerning the use of the Internet

Welcome to The Vein Clinic website. By using this website, you agree to the following terms of use, which constitute an agreement between The Vein Clinic and you. The information is provided by The Vein Clinic, and while we endeavor to keep the information in this website up-to-date and correct, we make no representations or warranties of any kind, express or implied, about the completeness, accuracy, reliability, suitability or availability with respect to this website or the information, products, services, or related graphics contained on this website for any purpose. Any reliance you place on such information is therefore strictly at your own risk. In no event will The Vein Clinic be liable for any loss or damage including without limitation, indirect or consequential loss or damage, or any loss or damage whatsoever arising from loss of data or profits arising out of, or in connection with, the use of this website.

This website is designed for general patient educational and information purposes only and is not intended for the rendering of medical advice, opinions or professional services, unless otherwise specifically indicated in writing. This information does not create any patient-physician relationship, and should not be used as a substitute for professional diagnosis and treatment. If you have or suspect you may have a health problem, you should consult your applicable health care provider.

If you think you may have a true medical emergency, call Emergency Medical Services (dial 911) immediately. If you are seeking a consultation with Dr. OByrne, please contact The Vein Clinic at 858-481-4888. If you receive our voicemail, please leave a message with your name and a phone number we can reach you at and we will contact you back as soon as possible.

The Vein Clinic disclaims any liability whatsoever for any documentation, information, programs, software, or other material that is or may become a part of this website. This website may include links to third party Web service providers. These links are provided solely as a convenience to you and not as an endorsement of the content on such sites. The Vein Clinic is not responsible for the content of linked third-party sites. The Vein Clinic shall not be liable, directly or indirectly, for any damage or loss caused or alleged to be caused by or in connection with use of or reliance on any such content, or products or services available on or through such sites.

Restrictions on Use of this Website

By accessing this website, you agree to the following terms of use, which constitute an agreement between you and The Vein Clinic. The Vein Clinic may change these terms from time to time. By accessing this website, you agree with the terms and conditions herein. The Vein Clinic reserves the right to change these terms and conditions at any time in its sole discretion, and your continuing use of our website constitutes your acceptance of and agreement to any such changes. You agree to hold harmless The Vein Clinic, its affiliates and its officers, directors, employees and volunteers from all claims relating to this website and any website to which it is linked.

Not a Substitute for Medical Advice

The contents of this website, such as text, graphics, images, information obtained from The Vein Clinic licensors and other material contained on the websites are intended to be used for informational purposes only and are not to be construed as the rendering of professional healthcare services. The information provided through this website should not be used for diagnosing or treating health problems or diseases. It is not a substitute for professional care. If you have or suspect you may have a health problem, you should consult your health care provider. Never disregard professional medical advice or delay in seeking it because of something you have read on this website.

The Vein Clinic disclaims any liability whatsoever for any documentation, information, programs, software, or other material which is or may become a part of this website. The Vein Clinic does not warrant or guarantee that the information contained herein will not be offensive to anyone accessing this website. You are hereby notified that by accessing and using this website that you assume the risk that the information and documentation contained in this website may be offensive and/or may not meet your needs and requirements.

If you think you may have a medical emergency, call your provider or emergency medical services immediately. If you are seeking a referral or consultation with a medical expert, please contact The Vein Clinic at 858-481-4888.

EMAIL DISCLAIMER

IF YOU HAVE AN EMERGENCY SITUATION CALL 911, DO NOT USE EMAIL.

Do not use e-mail for urgent or confidential matters. Although The Vein Clinic will attempt to read and respond promptly to your e-mails, our staff may not read your e-mail immediately. Therefore, you should not use e-mail to communicate with The Vein Clinic if there is an emergency or where you require an answer in a short period of time. If your e-mail requires or requests a response, and you have not received a response within a reasonable time period, e.g., two business days, it is your responsibility to follow up directly with The Vein Clinic.

The Vein Clinic expressly disclaims responsibility, and shall have no liability, for any damages, loss, injury, or liability whatsoever suffered as a result of your reliance on communication via email, specifically inclusive liability/damages associated with confidentiality issues. If you use email to send any information, especially personal health information, you should be aware that you take the responsibility for: any unauthorized intercept, risk of electronic viruses, risk of unauthorized redistribution, and intercept and review by your employer if using employer e-mail services. Consider carefully the risk of using e-mail especially when sending information regarding, but not limited to, sexually transmitted diseases, AIDS/HIV, mental health, developmental disability, or substance abuse.

You are responsible for correcting any unclear or incorrect information conveyed using e-mail. The Vein Clinic reserves the right to save your e-mail(s) and include your e-mail or information contained within your e-mail in your medical record.

Should you have any questions or concerns regarding website and/or e-mail disclaimers please do not use our website and call our office for assistance or clarification.
